Dear László and Bianca,

The answer was covered at one of the CE's I think but to mention it again,

- The removal of the card occurred with the increased security procedures after the security level was raised from white to yellow
- This increased security status remains in place
- The removal of the card and ensuring that S4 and S5 remain on the campus has reduced the number of late arrivals to lesson and also the number of students skipping lesson.
- The numbers of complaints about student behaviour from our neighbours has also reduced significantly
- For these reasons we will keep the rule as it is currently

Subject: S4/S5 Written Request

Dear Mr. Goggins,

The following was on our program for this year, but we did not get around to discussing it. This is about the S4/S5 not being allowed to go out of school in their frees (i.e. removal of the pink card).

The students would like to obtain an explanation for this. Would it be possible to get back to us with a short message that we can paraphrase and transmit to students?

As a representative I must bring this up since it was on the program.

Thank you very much in advance,

Best Regards / Cordialement / Mit freundlichen Grüßen / Üdvözlettel,

László Molnárfi
